Re: Neelu Pal, M.D.

Dear Ms. Johnson:

In response to your call a half hour ago, we have begun to prepare our defense. However, to participate in a meaningful appeal we need access to the Treo messages. I understand that upon her suspension, and when she turned over a telephone with text-messaging capability (917-838-8689) and adapter (receipt enclosed), you told Dr. Pal that she would have access to those messages. Would you kindly advise me when she and I may view, and copy, those messages?

Very truly yours,

Paul K. Rooney
